## VINEYARDS

### DIRT TO GLASS

As a phrase, 'dirt to glass' may lack the romance of typical 'wine-speak', but it has a compelling purpose to it – to tell the story of a particular wine, and the passage that it has taken from the vine to the glass.

*We hope you enjoy your journey with our wines.*

## BLACK LABEL SHIRAZ

### VINTAGE

2017

### REGION

Barossa Valley

### TASTING NOTE

Crushed blackberry and mulberry fills the glass with just a subtle hint of white pepper. Very generous through the mid-palate with dark fruits, finishing long and savoury.

### FLAVOUR MATCH

To complement these rich and fragrant spicy notes, we highly recommend warm hearty dinners; slow cooked lamb shanks or perhaps Moroccan beef casserole. Invite friends and family, grab a glass and just enjoy.
